Ind AS Basics

LIVE ONLINE

INTRODUCTION

This in-depth knowledge sharing session will provide a comprehensive overview of the key principles and reporting requirements under Ind AS. It is specifically developed for those who want to get a strong foundation in their Ind AS transition journey or looking to enhance their existing knowledge. This programme goes beyond theoretical concepts as each training module is developed and instructed by subject matter expert with hands on training and implementation experience. This 10-day Training Course will enable participants to gain a practical knowledge on Ind AS which will be explained through lucid illustrations, live cases, discussion of major technical issues, worked examples and much more.

PROGRAMME HIGHLIGHTS

- ✓ It is a 20 hours Online 'Live' Training Session spread over 2 weeks
- ✓ Coverage of important and significant Ind ASs which are applicable to most industries
- ✓ The Standards shall be explained with numerical examples along with paragraph references
- ✓ Since the Standards are interactive, they shall be dealt in an integrated manner
- ✓ Gain necessary skills to prepare Ind AS compliant financial statements
- ✓ Clarification of queries and consultation is also offered after course concludes
- ✓ Use of case studies and real-world examples to illustrate practical application of the Standards
- ✓ Cost-effective and convenient for working accounting and finance professionals
